Strong carrier bags

**Our warehouse is open for donations at the following times:
Mondays 1-3pm, Wednesdays and Fridays 10am - 12noon.**

Please only donate these items that we currently need.

Due to generous donations, we are overstocked on the following and DO NOT NEED THEM at this moment in time:

Soup, Baked beans, tinned fish, pasta sauce, long-life milk and coffee.

Given the current Coronavirus we must focus our efforts to getting basic food parcels out to people in need. We are operating with fewer volunteers, which makes sorting the food and packing the food parcels more time consuming. Please only donate these items that we currently need. Thank you for your understanding.
